See page 64 for details

Compatibility rating

For full explanation see page 2

All FSB lever handles on this page suit door thickness 42-46 mm. For other door thickness please consult our sales office, as they are to special order only, subject to quantity

FSB door furniture

Since 1996, FSB has been fully audited and certified a 'green company' in compliance with ISO 14001

All FSB lever handles are made to BS EN 1906: 2002

All FSB lever handles are to be fitted with the FSB Stabil spindle. The spindle is solid and meets all the specifications set out in DIN 18 255 if correctly mounted

Caring for your FSB aluminium door furniture requires a wipe clean with a weak solution of washing-up liquid using a sponge or soft cloth
