

Extension			
For window height	Actual length	Min. cut down length*	No. of mushrooms
330-460 mm extension	135 mm	60 mm	0
460-800 mm extension	305 mm	125 mm	1
800-1100 mm extension	455 mm	295 mm	1
1100-1400 mm extension	605 mm	445 mm	2

Note: It is possible to be able to have the gearbox drive at low level, where having it central would prove to be difficult to reach, i.e. behind a sink unit in a kitchen. Just order 1 small extension and 1 longer to meet the required window height
1000 mm window height - use 1 x 330-460 and 1 x 460-800 extension with the gearbox drive

Shootbolt espagnolette bolt

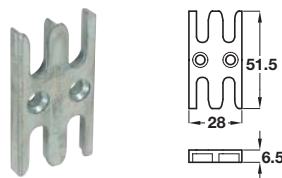

- BBA approved
- Meets BS 7950 security requirements
- Tested to over 200,000 cycles
- Secured by design approval
- 10 year guarantee
- All steel construction
- All parts are plated with Supercote* for enhanced corrosion protection
- Adjustable compression by mushroom cams
- Adjustable throw shootbolts
- Reduced number of components need to be ordered
- Simple to install
- 1x gear box and 2x extensions for bolt
- 1x central keep and 2x corner keeps
- Mild steel, Supercote silver finish
- Supercote has achieved grade 5 as defined in BS EN 1670: 2007
- Extension can be cut down to achieve correct length*
- Order keeps separately, shown below

Gearbox drive (central box)	
Cat. No.	971.04.000
Extension	
Actual length	Cat. No.
135 mm	971.04.001
305 mm	971.04.002
455 mm	971.04.003
605 mm	971.04.004

Order qty: 1 pc

Basic fitting instructions

- 1 Fit the gearbox to a prepared sash (12 x 110 mm slot.) Refer to the handle symbol on the gearbox faceplate to determine the correct handle locked position direction
 - 2 Mark extensions for cropping using the index marks on the gearbox faceplate
 - 3 Crop the extensions to length
 - 4 Fit the teeth of the extension into the gearbox coupler (under the faceplate), slide the cover under the gearbox faceplate and insert screws
 - 5 Fit the keeps using the index marks on the sides of the keeps as a guide to the cam locked position
- Full fitting instructions available - please contact us

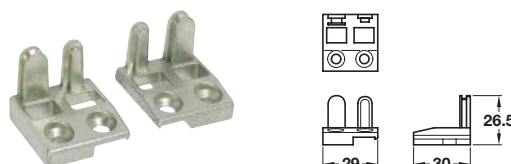

Night vent security keep

- To suit shootbolt shown above
- Diecast zinc

	Cat. No.
Night vent keep	971.04.010

Order qty: 1 pc

Stud plate kit

- Combines night vent and shoot bolt keep
- To suit shootbolt shown above
- Includes 1 left hand and 1 right hand plate
- Die cast zinc

Hand	Cat. No.
Stud plates (left and right)	971.04.011

Order qty: 1 pair
